## Countertop Waste Flap For Waste Bin

Product Code: WFLAP

This countertop waste flap is a one piece seamless construction with a return edge for rigidity. It has a spring loaded self-closing door, secured to the frame with a full length piano hinge.

The waste flap can be mounted in horizontal and vertical surfaces and requires a cut out 286mm x 114mm. The thickness of the countertop should be between 19mm and 38mm.

The door provides easy access to an under counter waste container (not supplied) for the disposal of rubbish.

### Delivery

Typically 1 to 2 working days
