Small Stainless Steel Wash Basin

Product Code: WBS

This one-piece hand wash basin is manufactured from stainless steel with all exposed surfaces polished to a satin finish, mounted on a contrasting high polished stainless steel apron support.

The hand wash basins are supplied with two pre-drilled tap holes, and are supplied as standard with a combined waste fitting with overflow, plug and chain.

Suitable where full size wash basins are required to ensure adequate hand washing facilities are available.

Delivery

Typically 1 to 2 working days
