

## Wash Fountain 8 Person

Product Code: WF8

Our eight person wash fountains are the ultimate school hand-washing solution. The stylish, ultra-modern design coupled with a heavy duty stainless steel construction make it suitable for any modern school washroom. The unit is available in two standard heights (adult and junior) and is completely free from sharp edges and corners, making it appropriate for pupils of any age.

The unit is supplied fully assembled - all you need to do is connect it to your plumbing system. It even comes with an integrated soap dispenser, a waste fitting, and your choice of water controls (see tech specs).

### Delivery

Typically 5 to 7 working days

### Tech specs

Material: stainless steel, grade 304

Width: 1372mm

Height (adult): 865mm

Height (junior): 659mm

### Water Controls

Sensor operated (hands-free infrared)

Hand operated (push button time flow taps)

### Extras

This 8 person hand wash fountain can also be complemented with the following extras:

#### *Height reduction kit*

Reduces height from adult (865mm) to junior (659mm)

#### *Mixing valve*

Thermostatic water mixing valve (TMV3) including combined strainer check stop valves. Thermostatic valves are designed to ensure a safe and comfortable hand washing temperature and protect your pupils from scalding.
