

Wash Trough With Press Button Taps

Product Code: WT-PB

These stainless steel wash troughs are manufactured in one piece from 1.2mm thick stainless steel and are supplied with a single angled time flow press button tap per user.

The stainless steel wash troughs are supplied complete with a 38mm flush-grated waste fitting and integral wall-fixing brackets as standard.

Optional extras include front support legs and [traps](#). Front support legs are particularly appropriate in busy washrooms or in educational establishments where students may be inclined sit or lean on the fittings.

Delivery

Typically 1 to 2 working days
